

## LOOK WHAT HAPPENS WHEN THE MONEY FUNNEL TAKES OVER!

### \$10 GOES IN WHICH YOU HAVE ALREADY DONE! THAT IS FUNNEL 1...

**THE MONEY FUNNEL SIMPLIFIED!** When you qualify for a new funnel, you double your income for the previous funnel! Just focus on getting people to YOUR funnel and stay ahead of your closest follower and let The Money Funnel go to work for you! That's it in a nutshell!! Each person you sponsor is worth \$1,658 going through all eleven funnels. When you have a person who sponsors a person, that combination is worth \$2,758 TO YOU going through the eleven funnels. Remember, I will immediately pay you commissions for two people under you for each funnel you upgrade to.

### FUNNELS 1 & 2

First level payout maximizes to \$30

Second level payout maximizes to \$20

If you have only five followers, and those five followers each have five followers, your total income would be:

$$5 \times \$8 = \$40$$

$$5 \times \$30 = \$150$$

$$25 \times \$30 = \$500$$

$$\text{TOTAL} = \$690$$

If you have only ten followers, and those ten followers each have ten followers, your total income would be:

$$10 \times \$8 = \$80$$

$$10 \times \$30 = \$300$$

$$100 \times \$20 = \$2,000$$

$$\text{TOTAL} = \$2,380$$

### FUNNEL 3

First level payout maximizes to \$60

Second level payout maximizes to \$40

If you have only five followers, and those five followers each have five followers, your total income would be:

$$5 \times \$60 = \$300$$

$$25 \times \$40 = \$1,000$$

$$\text{TOTAL} = \$1,300$$

If you have only ten followers, and those ten followers each have ten followers, your total income would be:

$$10 \times \$60 = \$600$$

$$100 \times \$40 = \$4,000$$

$$\text{TOTAL} = \$4,600$$

The above is based on your qualifying yourself for the first four funnels. However, there are no limits to how many you and your followers can bring into THE MONEY FUNNEL. To see all eleven funnel payouts, see "THE MONEY FUNNEL pay structure" page. If you choose to start out by Qualifying for only Funnel 1 you would receive \$2/sign-up. You can always qualify/upgrade later if you wish, but don't get passed by or you will lose out on commissions. Serious workers should stay ahead of their closest follower by two funnels just for protection.
